From the President:

As our ski season wraps up and we start planning for next year I would like to remind everyone of two up-coming events. The deadline for nominations for the Bill Bradley Award is March 1 (board meeting) and the March Membership Meeting will be election of Officers for the 2011-2012 club year. That being said, I would like to take this opportunity to thank the Officers, Directors, Committee Chairman and the many Volunteers who made this past year a success. Looking back we had a full year, plenty of activities and trips. The club welcomes any new ideas for events, so let your directors know of your recommendations. Once again THANKS for your support of the CLUB.
Chuck Setterlund, pres.

FUN on the BEAVER CREEK/VAIL Trip

Another successful ski trip is over leaving us with fond memories, some not so fond memories, and true stories and not so true stories to tell. Look for the slide show on the GCSC web site. I'm still working on it.

The flight out to Denver was uneventful, no major delays. We waited a while for our luggage but, all of our luggage arrived. That's good? Well, not if your skies and poles arrived with a 90 degree bend in them. Pam and Bill where somewhat disappointed in the new shape of their skies and poles. Ok, moving along, we had a long slow ride to Beaver creek. The lady bus driver had to stop to put chains on the bus and some ski club folks got off the bus to help. George, Patty, Larry, Chuck, Angus, Lorraine, Steve, Bobby, and a few more. Ok, back on the road. We arrived at Beaver Creek six hours later on what should have been a two hour ride. This is not all bad! We were delayed by snow. The stuff that makes for powder skiing. And for our first three days of skiing, we had ankle to knee deep powder and ski trails with no tracks on them. Those that took the free guided tour the first day had a great time and got to ski places you normally wouldn't find on your own. We met at Finnegan's Wake Irish Pub for the Super Bowl Sunday with hot wings. On Monday we had our group dinner at the Dusty Boot. On Tuesday night we had our wine and cheese party. On Friday night we had a pot luck dinner. Everyone brought their leftovers and told ski lies and tales of the week. Oh, did I leave out Vail? A twenty min. bus ride but well worth it. We skied bowl after bowl after bowl. It looked like one of Vail's bowls had more acres than all of Snowshoe. After we were bowled out, we tried to ski the rest of Vail. Well, we tried, but, I think we missed a few trails.

Now, I know many of you have heard people say, don't follow Larry, that is unless you plan on skiing thru trees with deep moguls. Well, Larry has taken second place to Lorraine. The word is out now, don't follow Lorraine! Why? She dropped her pole from the chair lift. We all decided to ski down with her to retrieve it. It was black diamond in deep snow all the way. When she got her pole back, there was no way out. We had to ski a black diamond all the way down. DON'T FOLLOW LORRAINE. My legs had turned to rubber and I lost count of the number of times I fell.

Ok, that's it, we have a cruise and the spring convention coming up. Think sunshine and summertime until time to think snow again.

Bobby

PS: So, did anyone get hurt? Sad to report that I know of two. Sharilyn got her hand smashed in the shuttle bus door and Eric tore a calf muscle on a deep snow mogul run. (Lorraine had nothing to do with it, she wasn't with us)

Congrats to
February's winner of the
Basket of Cheer.

Thanks to all who purchased tickets.
Your club support is greatly appreciated.
