Sat July 18th 2009

Trip: We will be using Carolina Heritage Outfitters on Hwy. 15 in Canadys SC. This is a ten-mile long, self guided paddle on the upper Edisto River. Starting in a Cypress/Tupelo swamp on the Edisto River Refuge and ending at the Outpost. Canoes and kayaks are provided with all needed equipment or you may bring your own vessel and equipment. if you desire. The outfitter will shuttle us to the river launch site. We will get out of the river at the outpost where we parked our cars. If Twelve or more people go, we will have a hamburger/hot-dog lunch cookout on a sandbar along the river at no extra cost. Bring your own drinks.**(No Glass)**

Cost: \$30.00 per person with two to a canoe and the same for one person in a kayak. \$20.00 per person to shuttle your personal canoe or kayak to the launch site.

Logistics: Based on past experience we need to be on the river early in order to take our time and get back around 6:00/7:00. You may leave the group at any time if you want to paddle faster and get back earlier.

To carpool or go in a car caravan, we will meet in the old Wall-Mart parking lot, on Glenn McConnell Pkwy, next to Chick-Fil-A, at 7:45 and leave no later than 8:00.
