

Passport Update:

If you are sailing round trip from the same U.S. port, you do not require a passport. This applies to our cruise sailing round trip from Charleston, SC. The required documentation besides a passport can be:

YOUR ORIGINAL STATE- CERTIFIED BIRTH CERTIFICATE AND A GOVT. ISSUED PHOTO ID SUCH AS DRIVER'S LICENSE.

A passport is still recommended and is your best form of ID when traveling. If you had to fly home from a non- U.S. port due to an emergency, a passport is required. Go to: www.travel.state.gov to read more. Passport Update:
